

Keyboard Shortcuts For Harmony Stage

This document lists default keyboard shortcuts for Harmony Stage.

NOTE: The Adobe® Flash® keyboard shortcuts set is used throughout the Toon Boom Harmony documentation.

To use a shortcut, press the key and the character simultaneously. The “+” sign, is not part of the sequence. If there is no shortcut allocated to a command it is left blank.

Items marked with* are used in standalone mode only. Items marked with** are used in network mode only.
