

Keyboard Shortcuts for Toon Boom Studio 7

This document lists the default keyboard shortcuts for Toon Boom Studio 7. To use a shortcut, press the key(s) and the character simultaneously. The “+” sign, is not part of the sequence.

NOTE: Commands without shortcuts are left blank in these tables

NOTE: The **Custom** column is provided so you may write down the shortcuts which you customize.

In Toon Boom Studio you can create your own keyboard shortcuts.

To assign your own keyboard shortcuts, select **Edit > Preferences > Shortcuts** from (Windows) or Toon Boom Studio (Mac OS X).
